STUNTS FEATURE IN PLANS FOR BIG ALUMNI DAY

**Baseball Game Beginning
Event of Full Program**

ALUMNI MEETING AT 4

**Five Minute Stunts to Be Given in
Order—Dr. C. E. Hewitt, '93
Toastmaster at Banquet**

Alumni Day is going through with a bang. The various committees have arranged to fill every available minute with good time. A big crowd, interesting speakers, peppy stunts, and a renewing of old acquaintances will all combine to make this one of the best Alumni Days ever held on the New Hampshire Campus.

The committee on sports and stunts, headed by Capt. C. S. Pettee, has arranged the program to start with a baseball game at 10 o'clock between the faculty and a picked team composed of alumni. The class luncheons will take place at 11.45.

Following the class luncheons, the various classes will report at the Commons in costume. All the classes are to be in costume and many showy uniforms are being planned. The committee will provide a standard for each class bearing the class numerals and this will serve as a marker and a rallying place throughout the afternoon. The alumni are advised to "believe in signs" and remain together as class units. The classes will form in column with the head of the column in front of Commons. Lieut. McKenney, supported by his own brass band, will head the column and lead it to the area in front of DeMerritt Hall where the class stunts will take place.

The stunts will be put on in the order: '25, '69, '70, '71, '72, '73, '74, '75, '80, '85, '90, '91, '92, '93, '00, '05, '09, '10, '11, '12, '15, '20, and '23. Each stunt is to be limited to five minutes. Capt. Pettee will be on hand to ring the gong on any ambitious class that attempts to use more than its allotted time. The change from Memorial Field to the area in front of DeMerritt Hall is to prevent injury to the young grass at Memorial Field.

At 4 o'clock there will be the annual alumni meeting at the Faculty Club. The most impressive feature of the meeting will be the presentation of the 1923 Class Memorial Scholarship Fund. This is the second fund of this kind to be presented to the Board of Trustees.

Dr. Charles E. Hewitt, '93, will be the toastmaster at the banquet. Dr. Hewitt is an educational specialist on the advisory board of the War Dept. at Washington. Both the class of '23 and the class of '25 have prepared live stunts which will be put on between courses of the banquet. The speaker representing the alumni at the banquet is Dr. Elmer S. Savage, '05, who is Professor of Animal Husbandry at Cornell. President Hetzel will talk for the administration. Mr. Caldwell, '06, will speak for the board of trustees. The banquet will surely end at 9 o'clock in order to facilitate fraternity get-togethers.

All the alumni must notify M. G. Eastman '13 of Durham not later than June 17 in order to secure reservations for the banquet. There will only be three hundred seats at the banquet and a full crowd is expected.

TENNIS TEAM BREAKS EVEN IN HARD SEASON

**First Varsity Aggregation Shows Up
Well in Spite of Lack of Singles
Practice**

Two wins, two defeats, and a tie is the record which the first varsity tennis team which this University has put on a court hung up when it won from Northeastern College on Wednesday, June 3. The team tied Worcester Polytechnic Institute, lost to Bowdoin's strong team, won from Clark University, lost to Tufts College and defeated Northeastern.

The calibre of teams played was consistently high and the local team was compelled to play good tennis. In spite of lack of court experience it was able to do this and its strokes compared favorably with

(Continued on page 3)

TENNIS STARS IN BRILLIANT MATCH

**Nationally Known Women Tournament
Players Seen Here in
Exhibition Play**

In one of the best women's tennis matches ever held on this campus Mrs. Godfrey and Mrs. O. R. Corbiere defeated Miss Edith Sigourney and Miss Mayme MacDonald on last Thursday afternoon. This match was the feature of the Girls' Field Day. The scores 7-5 and 6-1 seem to indicate an easy win in the second set, but the playing was of a high calibre throughout the match.

Mrs. Corbiere, the national indoors doubles champion with Mrs. Endicott, substituted for Mrs. Cole who was unable to fulfill the engagement. Miss MacDonald showed a lack of practice as she has been very busy and has had very little opportunity for tennis. The match was played on the Lambda Chi Alpha courts on one of the hottest days we have had for years. A large gallery of students and faculty witnessed the match. The match was umpired by Professor H. H. Scudder. The linesmen were G. E. Gould, captain of the varsity tennis team, P. R. Lowry, B. S. Symonds, and R. B. Craig.

ANNOUNCE NEW FACULTY CHANGES

**MANY FACULTY
CHANGES MADE**

**Resignations Cause New
Names on Teaching Staff**

GILDOW TO BE VETERINARY

**Kalijarvi and Lloyd Made Assistant
Professors—Several New Pro-
fessorships Created**

President Hetzel has announced the names of many new members of the faculty for the coming year. One or two other changes may be announced later, but the majority of places are already definitely filled for next fall. Mr. Claude T. Lloyd who came here last fall from the Yale graduate school has been appointed an assistant professor of English and Mr. Thorsten Kalijarvi whose names appears in the 1926 Granite as the most popular instructor outside of class, has also been advanced to the rank of assistant professor of political science.

Irving L. Churchill, who is leaving to take up graduate work in English at Yale, will be replaced by Celia Ufford as Instructor in English. Mr. Ufford received his A.B. degree from Harvard in 1919; and a master's degree from the University of Chicago in 1922. He later was awarded a degree of Bachelor of Divinity in 1923 at the Meadville Theological School at Meadville, Pa. For a time Mr. Case was a reporter for newspapers in Quincy, Ill.

Dr. E. M. Gildow of the University of Wisconsin will take the place of Forrest E. Mather as Instructor in Poultry Husbandry and Assistant Poultry Husbandman of the Experiment Station. Dr. Gildow will also serve as University Veterinarian. Dr. Gildow graduated from Washington State College in 1922 with the degrees of Veterinary Medicine and Bachelor of Science. The following year he practised veterinary science at Corvallis, Oregon. Since then Dr. Gildow has been at the University of Wisconsin in the Dept. of Veterinary Science.

Miss Margaret King has resigned as Graduate Assistant of Physical Education for Women and her place will be filled by Miss Ruth Ould. Miss Ould graduated from Randolph Macon Woman's College, Lynchburg, Va. in 1923. In 1924 and 1925 she was at the New Haven Normal School of Gymnastics working for her master's degree.

Milton F. Crowell is leaving the Dept. of Zoology to return to his position in the Dept. of Entomology. Mr. Crowell's place is being taken by Donald G. Barton, '24, who will be graduate assistant in Zoology.

Carrol C. Hubbard, Herman M. Partridge and Andrew C. Rice are resigning as graduate assistants in Chemistry. To date only one graduate assistant has been appointed

HONOR PAINE IN SPECIAL SERVICE

**Memorial Exercises Held
in Local Community Church**

REV. W. S. BEARD SPEAKER

**Service Programs Contain Beautiful
Tributes to Dead Author—
Many Friends Throng Church
for Services**

A Memorial Service in honor of the late Ralph Delahaye Paine was held in the Community Church at Durham on Sunday, June 7, at 4.00 p.m. The memorial address was made by the Reverend William S. Beard, of New York City, a former pastor of the local church and a close friend of Mr. Paine. Congregational singing, two solos by Bradford McIntyre, and organ selections constituted the rest of the impressive services which were attended by a large congregation composed of Mr. Paine's friends and admirers from Durham and other places. Copies of an interesting program, containing a Paine memorabilia, and three tributes from men prominent in the publishing world were distributed.

RALPH D. PAINE

Order of Service
Prelude, "Indian Suite," (Second Movement) MacDowell
The Call to Remembrance
Solo, "Peace" E. B. Hill
Mr. Bradford McIntire
Prayer
Hymn, 553
Solo, "Going Home"
Mr. Bradford McIntire
The Memorial Address
Reverend William S. Beard,
New York City
Hymn, 555
Benediction
Postlude
A Tribute

"If ever a man lived who had it in him to stimulate to better thought and deeds without preaching, to transmute somewhere between the lines of his stories the influence of a personality so kind, so straightforward and noble that is quite past our powers to describe it, it was Ralph D. Paine.

'How far that little candle throws his beams!
So shines a good deed in a naughty world.'

"Ralph was like that. He himself was a good deed on the part of Nature, or evolution—or whatever we may choose to call the mysterious force that reads for us our destinies and shapes our ends. And his stories are all good deeds. No one may tell how many discouraged, poor, helpless fellows they have helped over a rough place. But we hope—it is faith rather than hope—indeed it is certainty rather than faith—that it is all written to his everlasting credit and will shine forth somewhere in some great book that no mortal eye has yet beheld."
—Charles Agnew MacLean in The Popular Magazine.

**TWO CIDER JUGS CAUSE
T. HALL CLOCK TO STRIKE**

When the old clock in the tower of Thompson Hall began to ring continuously at eleven o'clock on Tuesday night, inquiries from all sections of the campus began to come in over The New Hampshire telephone, "Is there a fire?" "What is the trouble?" "Did the baseball team win a game?" were some of the eager queries. At ten minutes past eleven the bell was still ringing when Henry Swallow, the genial night watchman appeared on the scene. Close on his heels the staff of The New Hampshire chased him into the belfry clock room. There Mr. Swallow discovered that two glass jugs which he explained

(Continued on page 4)

FOOTBALL CAMP TO BE HELD IN DURHAM

**Fifty, Including Veterans and Mem-
bers of Freshman Team Report
for Talk by Coach on Fall
Training**

On Tuesday, June 9th, Coach Cowell called out all those who were interested in foot ball. He was rewarded by receiving a large delegation. Practically all the old veterans who will be eligible to play next year were at the meeting, besides a lot from the freshman class. Coach Cowell was pleased to see such a great number who were interested in the great fall game and talked for a few minutes to the audience of football enthusiasts. There were about 50 at the meeting. In discussing the plans for next year it was tentatively decided that the team would not go to Old Orchard this year but would remain in Durham for the early training. This would undoubtedly be of benefit to many of the players and also to the coaches. After the informal talk the candidates were measured for uniforms.

ELECT E. K. SWEENEY, '26, EDITOR-IN-CHIEF OF THE NEW HAMPSHIRE FOR NEXT YEAR

**Entire Business Staff Re-elected—Old Constitution Re-adopted—Hartwell
to Continue as Business Manager, While Robinson Fills
News Editor's Berth**

Edwards Kenneth Sweeney, '26, of Exeter, was elected editor in chief of The New Hampshire for the coming college year, at a meeting of the staff held in Thompson Hall on Wednesday, June 10. Mr. Sweeney has held the position of news editor during the present year. H. W. Whitcomb, the present editor, refused to be a candidate for reelection but will continue as a member of the staff next year. Mr. Reginald Hartwell, '26, was re-elected as managing editor. The complete business staff was re-elected, namely, McLean Gill, '27, business manager; Stanley L. King, '26, advertising manager; Charles Dickson, '26, circulation manager. W. P. White, '27, assistant circulation manager; George Webb, '28, business assistant, Fred Robinson, '27, was elected news editor, Miss Frances Fairchild, '27, women's editor; Miss Elizabeth Ricker, '28, alumni editor; Gene Tetzlaff, '26, sporting editor; Marguerite Pollard, '28, women's sporting editor.

The staff voted to re-adopt the constitution which was in effect previous to last June. This constitution was drawn up by Herbert Barnes in 1922. Prof. H. H. Scudder, was elected faculty literary advisor, and Prof. E. L. Getchell as faculty business advisor.

ANNUAL CLAMBAKE HELD BY PI GAMMA

**Swimming and Boating Enjoyed by
Members of Biological Fraternity
at Outing at Chesley's Point
Last Saturday**

On last Saturday afternoon, Pi Gamma, the honorary biological fraternity, held its annual clambake and field day at Chesley's point on the Oyster River. The members arrived by automobile, canoe and motorboat, and by three o'clock preparations for the feast were in full swing.

The greater part of the afternoon was given over to swimming, boating and other activities, mostly aquatic. Catching crabs was a frequent occurrence, both for those attempting to row a boat, and for barefooted individuals wading in the shallows. Toward the end of the afternoon the receding tide left a wide stretch of mud flats, impromptu baths in which furnished excuses for an extra dip in the water. No serious casualties were reported although sunburns and bruises from sharp stones were frequent, and one person received a severe bite from a clam.

The dinner was served at about 6.30 and consisted of baked clams, lobsters and potatoes, with the usual "fixin's", including ice cream.

Those who were able to remain after dinner were taken for ride down the bay in Professor Jackson's launch, returning home at 10 o'clock.

HARRY W. STEERE, '26, PRESIDENT OF BOTH STUDENT COUNCIL AND A.A.

**Two Amendments to Constitution of Student
Council Passed in General Election Thursday**

NICORA MADE MEMBER OF A. A. EXECUTIVE COMMITTEE

**Professors Kalijarvi and Perley Elected Faculty Members of Same Com-
mittee — Ralph Taylor Vice President of A. A.—Winifred Scott
Secretary. Voting at Elections Is Extremely Light**

Harry Wing Steere, '26, of Amesbury, Mass., was elected president of both the Student Council and the Athletic Association at the annual election by the members of the student body which was conducted on Thursday, June 11, by the Student Council. Mr. Steere's election to both positions reminds older students of the University of a similar situation which occurred in 1922 when Clyde "Cy" Cotton was elected to the same two offices. Ralph A. Taylor, '26, was elected vice president of the Athletic Association and Miss Winifred Scott, '26, of Tiverton, R. I., as secretary. Robert Nicora, '26, of Barre, Vt., was elected student member of the Athletic Executive Committee; and Professors George A. Perley and Thorsten W. Kalijarvi were selected as faculty members of the same committee. Professor C. Floyd Jackson was re-elected faculty member of the Girls' Insignia Award Committee.

Voting was light throughout the day, less than the usual number bothering to even sign a ballot. The elections were held on Thursday instead of the scheduled date, Wednesday, in order that the amendments to the constitution of the Student Council might be posted for a week before the election. One amendment slightly altering the membership of the Student Council was passed and another which revised the number of points awarded for certain campus offices.

Harry W. Steere who received the signal honor of receiving the two highest offices is well known on the campus for his many activities. During his sophomore year he became prominent as president of the Sphinx, organizing the work of the freshmen and handling the entertainment of visiting athletes so well that the Sphinx became a live campus organization. Last June he was rated as first among the candidates for a managership, but declined the varsity letter in order to accept the editorship of the 1926 Granite which is just off the press and is generally conceded to be the best year book published here to date. Mr. Steere is vice president of the Theta Chi fraternity, and was recently initiated into Senior Skulls. He is registered in the College of Technology as an electrical engineer.

Because of the new change in the point system, changing the rating of the president of the Athletic Committee from 10 to 12 points, President Frederick Gray of the Student Council announced last night that Mr. Steere had resigned the presidency of the A.A. making Ralph Taylor, the newly elected vice president, acting president until another election can be held next fall.

Ralph A. Taylor, the new vice president, and temporarily president, of the Athletic Association is a son of the popular Dean of Agriculture, and is a member of the A.T.O.

(Continued from page 3)

NOTICE

All seniors owing money to the 1925 Granite Board must pay their account before graduation. It is the policy of the administration to give blank diplomas to those who owe money for class dues, assessments, and Granite accounts. This money should be paid to Don P. Scott, class treasurer, before June 15, in order to prevent any delay in the granting of the diplomas.

The 1925 Granite Board.

Calendar of Events

Sunday, June 14
9 a. m. Community Church—Episcopal Church Service followed by a short meeting for students.
10 a. m. Celebration of the Holy Sacrifice of the Mass, Morrill Hall.
10.45 a. m. Community church, morning worship. Children's Day exercises.

Monday, June 15
Final Examinations.

Wednesday, June 17
Senior exams close at 4 p. m.

Saturday, June 20
Alumni Day.

Sunday, June 21
Baccalaureate Sunday.

BLUE KEY INITIATES SEVENTEEN MEMBERS

**Honorary Senior Society Elects
Blewett President at Meeting
on Thursday, June 4. Mich-
elson Chosen Vice-President
and Charles Pattee Sec'y-
Treasurer**

The Honorary Senior Society, "Blue Key" held the initiation for its new members on last Thursday evening. Seventeen men from the class of 1926 were duly initiated into this representative group. These men are: Edward Blewett, Alfred Smith, Charles Gray, Sherman Tarleton, Gene Tetzlaff, Gunnar Michelson, Henry Applin, George Summerville, Edward O'Connor, Robert Nicora, Fred Peaslee, Roswell Evans, Carl Garvin, Fred Fudge, Leslie Hubbard, George Twombly, and John Cassily.

The following men were elected to the offices for the coming year: President, Edward Blewett; Vice-President, Gunnar Michelson; Sec'y-Treasurer, Charles Pattee.

This organization was formed on November 16, 1921 by a representative group of seniors. Its purpose is to foster worthwhile campus activities and to bring together a more representative group of men in the senior class.

DURHAM, N. H., JUNE 13, 1925

THE OLD ORDER

The New Hampshire is a constant institution. There would be without it on this campus a distinct void. For better or for worse it reflects student life and student opinion and forms almost the sole link between the university and its alumni. Of necessity its management must change yearly. Once a year it undergoes a complete metamorphosis in personnel and a consequent change in news and editorial standards. The publication and the institution are fortunate when the change itself is a fortunate one.

A year ago The New Hampshire changed editors. It stood then free from debt after several years. But the newly elected editor assumed the difficult task of making the sheet a respected factor on the campus. Handicapped by an acute printing problem, with a lukewarm staff on his hands which it was his first job to fill with enthusiasm, he began his uphill labor. The editor of The New Hampshire has always given generously of his time to the paper. This editor doubled the usual attention and at the same time secured adequate co-operation from his staff, a thing no previous editor had been able to accomplish. During the year The New Hampshire has printed a number of supplementary issues and proposes to send to each of its alumni subscribers a copy of the literary magazine to be published this week by a campus organization. These features have made the publication "worth reading for the first time in its history" according to talk overheard on the campus. The New Hampshire owes a debt to the man responsible for its present high campus and alumni standing.

The staff which will take charge with the next issue of the paper pauses to take off its hat to that editor. Mr. Harold W. Whitcomb has brought to the sheet those qualities which were necessary to make it a success. Tact, ability to meet people on an equal footing, business qualifications of the highest order, genial good humor, and above all, supreme common sense and sound initiative are some of the things of which he gave in greatest sort.

The staff which now assumes responsibility for your publication acknowledges its debt to Mr. Whitcomb with the realization that it can best serve itself and the community by carrying out his guiding principles which are only two in number, but all inclusive: a conservative idealism and the desire to serve. To Mr. Whitcomb we can only say "We who must carry on, salute you."

TO THE SENIORS

In a few more days these young men and women who are now walking about the campus swinging canes and talking about caps and gowns will scatter to all parts of the country, probably never to return as a complete unit to New Hampshire. Parting must necessarily recall to them certain beautiful recollections, certain priceless memories of the four years passed in Durham. But they have work to do; they came here to graduate, and so The New Hampshire does not intend to grow sentimental or sad about their leaving.

The writer, as a member of the junior class, was necessarily "an enemy" of the present seniors during

his freshmen year. All members of the 1926 class were that. Last year the old feeling still persisted, as cracked heads, ducks in the creek, and other interclass contests were recalled. This year the feeling of enmity has entirely disappeared, and to every junior, the bond of friendship between 1926 and 1927 has strengthened. Our campus life makes that inevitable. In the fraternity, the senior is the "bigger brother". In the campus organization he is the leader, the co-worker and usually the close and intimate friend and advisor of the younger man working up.

And so for personal reasons we all grieve to see them go. They are a fine bunch of men and women. To each and everyone the New Hampshire extends its congratulations and its best wishes for a happy, successful, useful life, in the fullest measure and implication of those terms.

SUPPORT "THE SCROLL"

Every student in the university should buy a copy of "The Scroll", the new literary magazine published by the members of Book and Scroll. Of course the committee expects no such response. In fact if 500 students will respond, success will be assured. Why should you buy a copy? For many reasons.

First, because the magazine itself will be worth reading. It will contain short stories, poems, a one act play dealing with campus situations at Carnival time. You should enjoy the contents.

Second, because the University should have such a publication. Many of our students are interested in writing, in creative work. The Scroll will enable them to have such work published and distributed. You should know what they are doing and what they can do.

Third, because stimulation of this sort of thing here is necessary if our Liberal Arts College is to prosper and advance in prestige and repute.

Buy a copy of "The Scroll" and give yourself a treat as well as help a worthwhile cause.

MASK AND DAGGER ELECTS OFFICERS FOR NEXT YEAR

Harry Page, '27, was elected president of Mask and Dagger, the dramatic society, at a meeting of that organization held Wednesday night of last week in Thompson Hall. The other officers elected were: Gladys Harris, '27, vice-president; Eleanor Hunter, '26, secretary; Charles Pattee, '26, treasurer; C. Elroy Chase, '27.

New members were elected from the cast of "The School for Scandal" as follows: Elizabeth Griffin, '25, Alexander Bogle, '26, Charles Pattee, '26, Bradford MacIntyre, '25, John Neville, '27, Maurice Waling, '28, James McDuffee, '25, and from those who assisted in the production: Burnell Bryant, '27, Norman Berry, '27, and C. W. Perkins, '28.

R.O.T.C. NOTICES

To R.O.T.C. members:

I desire to congratulate the regiment on its conduct and showing at Portsmouth. It was such as to make everyone feel a pride in the unit and reflected credit on the institution.

While the camping spirit and the unit spirit were strong, it is hoped that it will be even stronger next year and that the competition for honors will be keen.

Companies A and F are especially to be congratulated. Some of the other organizations were such close seconds to the winners that it was difficult to decide between them. Those organizations are to be complimented for the fighting spirit shown in the competition. Next year let every individual get into the fight.

Let each man make himself the best drilled man in his squad, each squad the best in its platoon, and each platoon the best in its company, and let each company fight its way to top place in its battalion. The Coast Artillery men have won the honors this year—can they do it next?

Will the company commanders let a field officer win the sabre for close order drill?

Maj. E. B. Walker,
Commandant

APPRECIATION

I wish to express my appreciation to the members of the Infantry Unit of the R.O.T.C. for the excellent work they have done during the past year, for the spirit of co-operation they have shown, and for the soldierly qualities they have displayed.

John U. Ayotte,
Captain, Infantry
(D. O. L.)

McKENNEY LEAVES FOR PORTO RICO AFTER FOUR YEARS

Responsible, Say Officers, for High Standing of Regiment. Presented with Saber by Advanced Infantry Students

Lieutenant A. E. McKenney who, according to his brother officers, is the man who is responsible for the high standing of the R.O.T.C. at the University, has, after four years of service here, been detailed to Porto Rico. The Lieutenant came here at a time when the Military Department was in an extremely poor condition. Because of his thorough knowledge of Military Science, his ceaseless work in the interests of the department, and remarkable devotion to duty, Lieutenant McKenney deserves unlimited credit for his work here.

The Advanced Course Infantry students in an endeavor to show their appreciation to the Lieutenant, presented him with a saber, on Monday afternoon. Colonel Horne, R.O.T.C., made a presentation speech in which he assured "Mac" of the esteem in which he is held by all the students, and wished him the best of luck at his new position.

"Mac" is a graduate of New Hampshire, having entered college in the fall of 1915 as a graduate of Westbrook High. In the spring of 1918 he left college to enlist in the army, returning in 1920 to Durham where he received his degree of Bachelor of Arts in 1921.

While in college McKenney was active in glee club and orchestra circles, being manager of the latter two years. He was a member of the class baseball team and in his junior year held the position of senior cadet officer. In 1920 he was awarded the military honor medal given yearly to the student most proficient in military work.

McKenney is a member of the Phi Mu Delta fraternity and for a period of a year he served as its national extension secretary. He is high in Masonic circles, being a Knight Templar and a Shriner.

"Mac" enlisted as a private in the first Maine Heavy Field Artillery in 1917. Soon after he was promoted to the position of sergeant and, on the same day, to first sergeant, in the northeastern department. In October, 1918, he was commissioned second lieutenant. In December of that year he was recommended for a permanent commission. On July first, 1920 he was recommissioned as second lieutenant and later that same day was commissioned first lieutenant in the regular army. In 1921 he was graduated with high honors from the infantry school at Camp Benning, Georgia.

On December 21, 1921, he was married to Miss Janet Mann, '23, of Manchester. Mrs. McKenney was an honor student at New Hampshire, majoring in the home economics course. She won her numerals on the class hockey team and is a member of Phi Lambda Phi, the honorary physics fraternity, and the Home Economics Club.

"Mac" leaves New Hampshire with the best wishes of the entire community.

Y.M.C.A. CABINET HOLDS FINAL MEETING OF YEAR

The last meeting of the Y.M.C.A. cabinet was held on Monday evening and final plans concerning the Silver Bay Conference were taken up. There were extensive reports from the various chairmen, concerning the 1926 handbook, the finances, the employment bureau, and the deputations. Every thing now is being left until after the summer vacation and activity will be started up again next fall.

FRESHMAN TRACK TEAM TO RUN PINKERTON SATURDAY

The track meet between the freshmen and Pinkerton Academy which was scheduled to be run off May 14th, last, will be held on Memorial Field Saturday, 13th, at two-thirty. This meet should prove to be closely contested, as both squads have enviable records and are in the pink of condition. The academy team is one of the yearlings greatest rivals, and the meet should, therefore, be largely attended.

CONGRATULATIONS

The Commandant desires to congratulate the following cadet officers for their performance in the Sabre Competition. The showing made was in the following order: 1, Horne, 2, Johnson; 3, Bloomfield.

Maj. E. B. Walker,
Commandant

A.T.O. WINNER IN INTER-FRAT TRACK TOURNEY

Tracksters Turn in Fast Time Despite Torrid Sun

McMANUS DEFEATS DAVIS

Coach Sweet's Freshman Material Shows Up Well as Nucleus for Next Year's Track Team

The Alpha Tau Omega fraternity won the annual interfraternity track meet last Wednesday and Thursday at Memorial Field. The Tri Gamma were but a point behind the A.T.O. team. Smith for A.T.O. and Atkins for Tri Gamma were the individual stars of the meet. McManus, Tri Gamma, surprised all by taking first place in the broad jump against ex-captain "Phil" Davis.

The winners heaped up a total of 48 points. Tri Gamma scored 47 points, Phi Mu Delta took third place with a total of 20 points. The other fraternities scored as follows: Theta Upsilon Omega 14 1-2, Kappa Sigma 12, Lambda Chi Alpha 11, Alpha Gamma Rho 7 1-2, Theta Chi 2.

Abe Smith, ATO was the individual high scorer taking 3 firsts and a third, Reggie Atkins, TG, was second, winning the three dashes.

The very hot weather was a serious handicap to many of the entrants and the men were unable to do their best under such conditions. The time in some of the events were very fast however. Atkins surprised all by defeating Van Allen in the 100 yd. dash. This meet showed that Coach Sweet has not neglected his freshman runners. Sweet has the nucleus of a good team for next year in Atkins, Smith, Van Allen, Stewart, and Toolin from the freshman class.

The summary:
100 yard dash: Atkins, TG; Morris, KS; Avery, KS; Van Allen, non fraternity. Time, 10:2.
Mile run: Smith ATO; Eastman, PMD; Snow LCA; Littlefield ATO. Time 4 minutes, 41 3-5 seconds.

120 yard high hurdles: Smith, ATO; Grey, TG; Toolin, TG. Time 17 3-5 seconds.

440 yard dash: Atkins, TG; Coughlin, TG; Pettee, TUO; Burke, KS; no time.

Shot put: A. Hubbard, ATO; L. Hubbard, ATO; Hoagland, LCA; Abbiatti, KS. Distance, 37 feet, 2 inches.

Discus: A. Hubbard, ATO; L. Hubbard, ATO; Hoagland, LCA; Betz, TUO. Distance 11 feet, 6 3-4 inches.

Broad jump: McManus TG; Davis, PMD; Smith ATO; Ladd, TG. Distance 21 feet, 1 1-2 inch.

220 yard dash: Atkins, TG; Pettee, TUO; Morris, KS; McManus, TG. Time 23 3-5 seconds.

Two mile run: Peaslee AGR; Littlefield, ATO; Weeks, TC; French TUO. Time 9 minutes, 51 seconds.

Hammer throw: Hoagland, LCA; Twombly, TG; Reed, ATO; Morin, PMD. Distance 113 feet, 6 inches.

220 yard low hurdles: Smith, ATO; Toolin, TG; Ladd, TG; Hanson, ATO. Time 26 1-5 seconds.

880 yard run: Coughlin, TG; Burke, KS; Lee, TG; Barclay, ATO; Time 2 minutes 33-8 seconds.

High jump: Tie between J. Smith ATO and Davis, PMD; A. Smith, ATO; Hanson, ATO. Height 5 feet, 8 inches.

Javelin: Evans, TUO; Stewart, PMD; Barker, TG; Jackson, PMD. Distance, 149 feet, 9 1-2 inches.

Pole vault: Stewart, PMD; tie between George, AGR, and Chase, TUO. Height, 9 feet, 6 inches.

NEW YORK ALUMNI!

The attention of the New York Alumni is called to the following events:

Wednesday, June 10, at 7 p.m. Bowling tournament at Park Row Bowling Academy, 31 Park Row.

Saturday Afternoon, June 27, '25 Annual Beach Party at Long Beach, L. I. Look for the N.H. Banner on the beach opposite the Hotel Nassau, near the Magnolia Baths. Bring a basket dinner along if convenient.

H. C. Forbes, Sec'y Treas.

INCENDIARY FIRE BURNS HOME OF PARTY CATERER

A fire supposed to be of incendiary origin destroyed the home of Roscoe D. Simpson on the Dover Point Road last Monday night at half past ten. The fire department was called out from Dover, but because of lack of water, the place was burned to the ground.

FROSH NINE HAS GREAT RECORD

Loses but One Game in Eleven Starts This Year

FINE VARSITY MATERIAL

Coach Gustafson's Team Scores 94 Points to Opponents' 22—Defeated by Goddard Seminary Only

In losing but one of their eleven scheduled games, the freshman baseball team has completed one of the most successful yearling schedules in some years. The nine worked hard and well, and as a result, many of the games were changed from defeats to victories, and no game was poorly played or thrown away.

The team got away to a good start by defeating the strong Westbrook nine to the tune of 5-1. In this game it will be remembered that Slayton struck out 13 men in six innings, and Evans kept up the good work by fanning 5 men in two innings. Brewster, Tilton, and Amesbury offered no great opposition, and Sanborn Seminary took the short end of a 2-1 score, after a pitcher's battle of ten innings duration. Goddard was the only team to defeat the yearlings in a "nip-and-tuck" exhibition which ended 2-1.

Evans pitched a fine brand of ball, but poor base running lost the game. New Hampton, Maine Freshmen, and Westbrook followed in rapid succession, and were defeated in fast, well-played games.

Next year, the present squad should make fine varsity material. Slayton is probably the best "frosh" pitcher in New England, and Evans has conclusively demonstrated that he has the "stuff" and lacks only the experience. Both should help the varsity next year.

Foy and Elliott have come along rapidly as catchers and both of them handle their pitchers very well. Bowen has come in very handily wielding the stick several times, and his hitting will be

watched with interest in the future. "Snubs" Hatch has proved himself a veritable pepper box at the second sack, and Captain Ramsey should fill Hammersley's place admirably next year. Hoyt has played a very consistent and dependable game at third. The outfield has been taken care of by Walter and "Whitey" Gustafson, Clark, Percival, Hall, and Cella. Altogether, the squad shows some very bright prospects for the coming season.

Summary of the season:
Westbrook 1 Freshmen. 5
Brewster 3 " 13
Tilton 3 " 16
Amesbury 2 " 16
Sanborn 1 " 2
Goddard 2 " 1
New Hampton 1 " 3
Proctor 0 " 12
Tilton 1 " 12
Univ. of Maine 4 " 9
Westbrook 4 " 5

TENNIS TEAM TAKES SIX MATCHES FROM WORCESTER

The varsity tennis team closed its season against Northeastern University last week taking all the six matches. The games were played on Lambda Chi and Barracks Courts. Walker, a senior, played for the first time for the local team. The scores of the New Hampshire players were: E. Gould, 6-4; 7-9; 6-2. Bowles, 6-2; 6-3. J. Walker, 6-2, 6-0. S. Craig, 6-2; 7-5. The doubles matches were both won by the New Hampshire teams composed of S. Craig, and E. Gould, and J. Walker playing with E. Carter.

If This College Man
Can Make It Pay Big
So Can You

HE worked his way through college. The girl he married was a school teacher. Long before he graduated, they decided that they would build a flower shop with a greenhouse attached. Build it right along the State road, where they could catch the auto trade. So we designed for them the entire outfit. From the very start it started paying. Each has their part to do. Each are having the time of their lives. It's a wonderful business for a man and his wife. Can't you just see that girl of yours, buzzing around in a charming flower shop like this, arranging the flowers, and humming one of your college songs the while? Say man, here is living! Healthful, joy-filled, money yielding, living. Write us. Ask all the questions you want. Keep right on asking them. Someday we'll get together and design a flower shop and greenhouse for you, and that wonderful girl.

If interested write to the Manager of our Service Department, Ulmer Building, Cleveland, Ohio, who will give you letter his personal attention.

"PHILLY" CLUB HOLDS MEETING

Requests Formation of Regular Bowling League

MEETS WITH M. C. HUSE

Miss Ethel Walker Elected Alumni Delegate to Meeting of Alumni Advisory Board—Mr. Huse to Take Extended Trip

The members of the New Hampshire Alumni club of Philadelphia were the guests of Mr. and Mrs. Percy Campbell the afternoon and evening of May 30th. The question of drafting a set of rules for a Bowling League was discussed, and it was considered advisable for the Philadelphia delegate to request the Alumni Advisory Board to consider establishing a bowling league among the clubs, in order that each club may know in advance the dates when it will bowl and also the club or clubs which will participate in the contests.

The subject of sending a delegate to the Alumni Advisory Board meeting to be held Friday, June 19th, at 9 a.m., was discussed, and Miss Ethel M. Walker, '18, was elected as the representative to attend the meeting. The rules of government of the Alumni Association provide for one delegate from each club of 20 or more members to the Alumni Advisory Board.

The President of the club, Mr. M. C. Huse, '08, announced that he and his wife would shortly depart on a 9,000 mile tour of the United States, a considerable portion of the journey being in the western part of the United States and Canada. Mr. Huse expects to provide the club and The New Hampshire with an interesting written report of his journey. The secretary, Mr. L. K. Kenney, announced that the senior eight-oared shell crew of the Malta Boat Club, which he has been coaching, won their event in the Twenty-First American Henley Regatta, and established a new record for the event.

The Secretary reported that registration blanks had been received from all but the following, and that a prompt return of the registration blanks would be appreciated: Irving L. Dennett, Arthur F. Davis, G. H. Batchelder, Henry R. Ford, M. F. O'Leary, Ralph H. Proctor, Edward J. Storey, Howard Irvine, E. Cooke Williams, L. D. Hyde.

Arrangements were made by Mr. Huse for the club to meet in Philadelphia and motor to "Wawa." They were greeted upon their arrival by the host and hostess, and as the weather was ideal, were entertained out of doors. Mr. Campbell had built a camp fire for cooking the dinner, and a thoroughly enjoyable dinner was served. Late in the evening the party motored back to Philadelphia after one of the pleasantest meetings the club has had. The following members were present: Mr. and Mrs. Campbell, Mr. and Mrs. Huse, Mr. and Mrs. Amis, Mr. Dodge and two children, Dr. Phyllis Blanchard, Dr. Walter Lucase, Miss Dorothy Flanders, Miss Mildred Flanders, Miss Ethel M. Walker, Miss Goldie Basch, and Mr. L. H. Kenney.

GIRLS' FIELD DAY INCLUDES VARIETY OF SPORT EVENTS

Tennis Doubles, Dancing Recital, Soccer Game and Baseball Some Features of Annual Exhibition

A girls' Field Day was held on Thursday, June 4, under the direction of Miss MacDonald.

The program was opened by an exhibition tennis match, held on the Lambda Chi Alpha court, Miss MacDonald and her partner, Miss Sigourney, playing Mrs. Godfrey and Mrs. Corbiere. Two sets were won by Mrs. Godfrey and Mrs. Corbiere with scores of 6-1, 7-5.

Next a dancing recital was given on the girls' field. This consisted of a series of group dances by the members of the dancing class. The first of these was "Greeting" in which the following took part: Salome Colby, Dorothy Clarkson, Erna Andrews, Grace Blodgett, Katherine Wood, Esther Robeck, Katherine Grady, Alice Watson, Eunice Colburn, Phyllis Stoddard, and Evelyn Brannen. This was followed by "In the Waves", "Eccosais", "The Frolic", and "A Waltz Study", by the entire class. The last number was "The Chase", by Dorothy Clarkson, Erna Andrews, and Miss MacDonald.

An exhibition soccer game was then held between two opposing teams, the Red and the Gold, all members of the one soccer class. The Red team won this match with a score of 3-1.

PITTSBURGH CLUB HAS LAST MEETING

"Smiles" Leavitt's Baseball Team Takes Christensen's Sluggers Into Camp

The first outdoor meeting of the year of the Pittsburgh Alumni was held in the form of a picnic on Saturday, May 30. Because of the ideal weather an unusually large number were present at Schenly Park by 2.30. The early part of the afternoon was taken up by an interesting baseball game in which everyone participated. "Smiles" Leavitt's team won the game, but "Chris" Christensen maintained that his team performed creditably, considering that all the anchors were on his side.

After the game lunch was served. At the business meeting which followed the lunch it was decided that the next meeting of the club would take place on September 12th. Several members announced their intention of attending Commencement exercises at Durham.

ALUMNI NOTES

Mr. P. R. Butler, '24, has been at the Springfield, Massachusetts plant of the Westinghouse E. and M. Company for the past two months. He is now spending a month's vacation at his home in Portsmouth, New Hampshire.

Mrs. H. I. Leavitt, '22, left Pittsburgh on Sunday, May 31, for approximately a month's vacation in New Hampshire and Massachusetts.

Mr. E. W. Christensen, '23, and W. Leavitt, '22, are planning a two week's vacation in and about New Hampshire. They will make the entire trip by auto and plan to be in Durham commencement week.

Mr. T. W. Stafford, '23, has completed his training course with the Westinghouse Co. at Pittsburgh and is now located in the Central Power division of the same company at Springfield, Mass. Mr. Stafford covers the western part of Massachusetts, lower Vermont and New Hampshire, selling equipment direct to municipal and central power plants.

Mr. Frank Walker, '24 has returned to Pittsburgh after spending some time in New Jersey for the Westinghouse Co. where he is completing his course as a student engineer.

Hester Bickford, '24, has given up teaching and is engaged by the Farm Bureau in organizing Boys' and Girls' clubs. It is rumored that the real reason she left her former occupation was for the privilege of driving around in that neat Ford coupe that she has now.

Rachel Pennell, '24, Maurice Sargent, '24, and Rose Corriveau, '23, have been teaching in Pittsfield, N. H., this year. Next year Rachel will be teaching in Madison, Connecticut.

Elna Perkins, '23, has accepted a fellowship in the University of Pennsylvania for next year. She won it from several other applicants.

Chester L. Lane, '20, has been promoted to field manager of the City Service Company of New York in the Tennessee territory with headquarters in Memphis. He has been transferred from Oklahoma City, where he has been field manager of that territory with the same company.

James W. Tucker, ex-'09, was recently re-elected president of the Board of Trade at Hampton Beach. Mr. Tucker is editor and publisher of The Hampton Beach News-Guide.

Leon J. Lemieux, '24, was called to his home in Berlin, N. H. from Pittsburgh by the death of his sister recently. Mr. Lemieux visited the campus for a short time on his way back to Pittsburgh where he is employed in the electrical engineering division of the Westinghouse Co.

Mr. Paul Anderson, '24, was a recent visitor at the University. Mr. Anderson is taking the student electrical engineering course with the General Electric Co., and was returning to Schenectady from Lynn, Mass., where he has been stationed for three months.

Mr. W. E. Bridges, '24, was on the campus last week for a short time. Mr. Bridges is located at the Shawsheen Creamery, Shawsheen, Mass.

TENNIS TEAM BREAKS EVEN IN HARD SEASON

(Continued from page 1)

most of their opponents'. The lack of courts for singles practice was a distinct handicap. Since most of the players are juniors there is every possibility for a very successful team next year.

The last number on the program was a baseball game between the freshman girls and a picked team of sophomores, juniors, and seniors. The freshmen won the game with a score of 15 to 4.

TO TAKE FINALS AT SILVER BAY

Eight Delegates Attend Y. Conference from Here

WILL LAST EIGHT DAYS

Mr. Joseph Barker to Conduct Final Examinations for Men Who Will Be Absent Final Week with Consent of Dean

Seven of the University of New Hampshire delegates to the annual Y.M.C.A. Student Conference at Silver Bay will take their final examinations out there under the supervision of the eighth delegate from here, the Reverend J. E. Barker, student pastor. This was made possible by an administration ruling which enabled the men to make the trip at this time. This will be a record breaking delegation from the University, several of the men "bumming" the more than 200 miles from here to their destination, so anxious are they to attend the conference.

"Joe" Barker, student secretary was the first to leave, taking the Tuesday morning train from Durham. Wednesday at noon, Elmer Berry, '27, and Alfred Frost, '27, started to "bum" the 200 miles to Lake George, New York. The remaining delegates left Thursday morning at five o'clock in order to get there in the evening. This party, leaving in the Christian Work Chevrolet was made up of the following: A. B. Proper, '26, Langdon Smith, '27, Fred Daggett, '28, Neil Rogers, '28, and R. B. Folsom, '26.

The program at Silver Bay includes eight days of instruction, inspiration, pleasure, and friendship for about 500 college students representing colleges from the University of Maine to Franklin and Marshall College and The University of Pittsburgh. The mornings are taken up with discussions of vital problems of life, the afternoons are given over to sports or anything else that a person may like to do. The evening programs are filled with singing and generally contain an address by some prominent speaker on an interesting topic. Then, too, there are chances for each delegation to get together to talk over what the conference is meaning and what they can bring back to the campus.

The delegates are planning to take their final examinations at the conference under the supervision of Mr. Barker. The conference closes the 19th and five of the delegates will come back in the Christian Work car and the others will probably bum their way. These unlucky ones have not been picked out as yet. The delegation this year is the largest that has ever represented the University. Last year there were four student delegates and this year there are seven.

OSGOOD '14 GIVES CUP FOR GOOD SCHOLARSHIP

Wilfred A. Osgood, '14, is the donor of a cup for fraternity scholarship which has been on exhibition in the registrar's office for the past week. The cup which is the largest of any of the University trophies will go to that fraternity which wins it three times in succession by excellence in scholarship. Only university fraternities which have occupied houses for at least two years are eligible to compete. Any fraternity which now limits its membership to one college in the institution will be eligible however as soon as it opens its membership to the University at large and complies with the other conditions laid down by Mr. Osgood. The cup is unique in size and it is felt that this alone will be enough to stimulate keen rivalry since it would dwarf almost any other trophy on a fraternity mantel.

ANNOUNCE NEW FACULTY CHANGES

(Continued from page 1)

to replace these men. John W. Allquist, '25, will be graduate assistant in Chemistry.

The Dept. of Military Science is losing Lieutenants A. E. McKenney and J. E. McGill. Lieutenant McKenney will go to Porto Rico. Lieut. McGill has not yet been assigned. To fill the vacancies in the Dept. of Military Science, Robert F. Carter, 1st Lieut., Infantry has been appointed Assistant Professor of Military Science and Tactics, and Arthur F. Gilmore, 1st Lieut., C.A.C. has been appointed Assistant Professor of Military Science and Tactics.

The other changes in the faculty for next year are as follows: Mrs. Ethel H. Piper will again serve as Instructor in Home Economics during the absence of Mrs. Mc-

(Continued on column 6)

STEERE WILL BE IN COMMAND OF REGIMENT

Different Officers on Alternate Drill Periods

JUNIORS FOR NON-COMS

Number Taking Advance Course Necessitates New Policy of Granting Commissions—Only Seniors to Have Commissions

Harry Steere, '26, will command the regiment next year. With him in command as immediate subordinates will be: John P. Cassily, '26 commanding the first battalion, E. B. Vatter, '26, commanding the C.A.C. battalion, Captain B. V. Bryant, regimental adjutant, and Captain S. L. King, regimental supply officer. Steere will hold the rank of Lieutenant Colonel while the officers in command of the two battalions will be rated as Majors.

Due to the number taking the advanced course, it was necessary to formulate a new policy concerning the granting of commissions. During the coming year each company will be commanded by a different group of officers on alternating drill periods. In this way each advanced student will have a turn as officer. On the day on which the officer is not in command he will attend lectures in the gymnasium concerning his work. The number taking the advanced course is so large that all commissions will be made from the senior class. The non-commissioned officer of the regiment will be appointed from the junior class.

The following is a list of the newly appointed officers and their positions:

Lieutenant Colonel (Commanding Regiment).....H. W. Steere, (F)
Captain, Regimental Adjutant.....B. V. Bryant (C)
Captain, Regimental Supply Officer.....S. L. King, (C)
Major (Commanding First Battalion).....J. P. Cassily (A)
First Lieutenant, Adjutant, First Battalion.....P. C. Tracy
Major (Commanding Second Battalion).....E. B. Vatter (F)
First Lieutenant, Adjutant, Second Battalion.....E. G. Miller (F)

Company "A"
Captain.....F. P. McDonald
C. H. Brown
First Lieutenant.....S. E. Wilson
M. L. Taylor
Second Lieutenant.....P. C. Farrar
A. F. Smith, F. W. Kirk, G. A. Twombly, H. P. Cotton, W. A. Stimson.

Company "B"
Captain.....W. M. Davis
C. H. Currier
First Lieutenant.....L. C. Sibley
M. F. Snow
Second Lieutenant, L. A. Minichiello
R. S. Taylor, G. E. Page, E. A. Tetslaff, G. Michelson, L. G. Sargent.

Company "C"
Captain.....P. E. Kelleher
R. R. Reid
First Lieutenant.....E. Y. Blewett
W. A. Higgins
Second Lieutenant.....T. H. McGrail
R. S. Mears, L. S. Cummings, J. E. Donovan, K. E. Gunn, E. R. Davis.

Company "E"
Captain.....W. E. Littlefield
E. E. Houle
First Lieutenant.....J. W. Allquist
R. L. Kimball, K. L. Foss, G. S. Handy.
Second Lieutenant.....H. C. Avery
H. E. Murphy, J. B. Williams, C. A. Graves.

Company "F"
Captain.....R. E. Corey
R. L. Hatch
First Lieutenant.....H. S. Maki
E. E. Grover, G. O. Foss, D. W. Drew.
Second Lieutenant.....W. S. Morrill
S. M. Potts, W. S. Balch, C. L. Dickson.

Headquarters Company
Captain.....E. N. Henderson, (E)
First Lieutenant, R. M. Longley (E)
Second Lieutenant, L. L. Mooney (F)
H. B. Applin (E)

HARRY STEERE PRES. OF BOTH STUDENT COUNCIL AND A.A.

(Continued from page 1)

fraternity. He is also a member of Senior Skulls and is a varsity basketball player. Miss Winifred Scott is a member of the Chi Omega sorority and is prominent in the women's activities of the campus. Mr. Nicora is a varsity letter man in football, basketball, and baseball, being rated as one of the best all-around athletes to attend the institution in years. He is a member of the Kappa Sigma fraternity and the Blue Key society.

An amendment to section E, Part IV, of the constitution of the Student Council, in addition to changing some of the point totals assigned to certain campus offices, also provided a mechanism for maintaining a record of the points carried by individuals, and appointed the Student Council an agent to see that the requirements were fulfilled. The amendment reads:

The number of points which a student may hold during a term shall not exceed twenty.

The secretary of the Student Council shall be responsible for a complete record of all officers of all student organizations. The secretaries of all student organizations are responsible to the secretary of the Student Council for the filing of the list of officers of their respective organizations. There shall be on file at the office of the Registrar of the University a complete record of all officers of all student organizations. Failure to have the proper records on file shall result in any action which the Student Council may impose.

ANNOUNCE NEW FACULTY CHANGES

(Continued)

Laughlin to pursue graduate study from September to February; Norman Alexander will return as Assistant Professor of Economics; Ford S. Prince will become soils and crops specialist of the Experiment Station and Extension Service; Howard A. Rollins, '24, will be horticultural specialist of the Extension Service; F. L. McGettigan will be poultry specialist of the Extension Service; A. William Petre will be graduate assistant in Agricultural Chemistry in the Experiment Station; Associate Professor Babcock has been promoted to full Professor; Assistant Professor Eastman has been promoted to Associate Professor; Instructors Kalijarvi and Lloyd have been promoted to Assistant Professors; Mr. Fernald will give full time to the Dept. of Physical Education for Men as Instructor.

OFFICERS' CLUB ELECTS

B. V. BRYANT, '27, PRESIDENT

At a recent meeting of the Officers' Club the following officers were elected for the coming year: Pres., B. V. Bryant, '27; Vice Pres., C. H. Currier, '26; Treas., E. G. Miller, '26; Sentinel, S. L. King, '26.

To the Marco Polos of 1925

DID the world hold more to be conquered in the days of courtly adventurers than it does for daring knights of '25? Does no far-off Cathay, no passage to India, beckon today?

Perhaps not; but that's no reason for disappointment. Graduates of 1925 can look about them without sighing for worlds to conquer.

There's high adventure in the lanes of business. Hidden riches underfoot. The very hugeness of modern business demands bigger vision than ever before. Thinking must be on a scale so large and unfettered by precedent as to try any man's mental equipment.

Here's where college graduates have proven their mettle. Here's where they have justified their training. And here they may indulge their fancy for exploring new fields.

TUFTS DEFEATS VARSITY NINE IN LAST GAME

**Jumbo Sluggers Bat Out
Victory on Home Field**

FINAL SCORE READS 11-2.

Game Played in Terrific Heat of
June's Hottest Day—Errors Com-
bined with Poor Pitching Lose
Game for Locals

Tufts took the measure of the
varsity baseball team last Saturday
on the Tuft's diamond at Medford,
Mass. to the tune of an 11 to 2
victory. The game was Tufts' from
the start and they were not in dan-
ger of losing the slugging fray at
any time of the game. The game
was played in one of the hottest
days that has ever been recorded
for the month of June. It was far
from a baseball day and the players
lacked the usual punch that they
have displayed on various occasions
in the past, especially when they
have played on the field in Durham.

The strong Tufts team chalked up
three runs in the first frame. This
was a poor start to overcome by
the New Hampshire team, especially
in such extremely warm weather.
Frank Shuman was the pitching ace
of the game for the home team
and he displayed excellent form and
coolness in the fine start he made.
Shuman was taken out of the
game in the early part as Coach
Nash wanted to use him against the
Harvard nine next week. Even
with "Lefty" Robinson in the game
the New Hampshire team was un-
able to score.

Garvin, the first pitcher to take
the mound for New Hampshire re-
called at the beginning of the third
and Bruce was sent in. Bruce did
very well but the support from the
rest of the team was not very good
at different stages of the game.
There were several misplays that
were costly to the New Hampshire
team.

In the second inning Tufts again
scored one run. It now appeared as
though the varsity could hold the
other team but they were unable to
as the Jumbo nine came through
with three more runs in the fourth
and two in the eighth and ninth. In
the ninth New Hampshire sent two
men across the plate but these were
only the two runs that the team was
able to gain during the entire game.

Captain Campbell and Nicora
were the two outstanding stars of
the New Hampshire team. They
displayed excellent form in the field
and at the bat; Bagely and Ring-
land played a sterling game for the
Jumbo nine and their work de-
serves due praise.

Strathdee to Fulton to Kelley.
Passed balls—French 2. Wild pitch—
Shuman. Hit by pitched ball—By
Shuman (Clark). Umpires—Dulong
and Gardella. Time—2h, 20m.

FIFTY STUDENTS TAKE ZOO INSTRUCTION TRIP

The freshman classes in zoologi-
cal laboratory went to York Beach
on Wednesday, June 10, for the
annual instruction trip. The after-
noon was spent on "The Nubble"
collecting specimens of marine life.
Each student was required to clas-
sify the specimens he collected. The
work was planned to supplement
the regular laboratory work.

The day was not spent entirely
in work however. The students
took their supper with them and
ate it picnic-wise on the sands.
About fifty students and the zoo-
logy staff made the trip to York
Beach in machine.

HOITT FARM CUT UP FOR BUILDING

Professor J. C. McNutt

Develops New Industry

FRATERNITY ROW FEATURE

Many Local Organizations Already
Buy Lots on New Real Estate
Development. Work of Open-
ing to Proceed Rapidly

One of the most important steps
in connection with the development
of the town of Durham was taken
last month when Professor J. C.
McNutt purchased the large farm
property on Madbury Road knowa
rison Farm, and immediately an-
as the Charles Hoitt or the Gar-
nounced that the property would be
opened up and developed as a real
estate proposition for the benefit of
the local fraternities, faculty mem-
bers and townspeople desiring build-
ing sites. This was the last block
of privately owned land near the
village with favorable conditions for
a residential district, and the an-
nouncement of its opening, coin-
cident with the plans for further
development of the University plant
is pleasing news to all those in-
terested in the future of the town
and institution.

The Charles Hoitt property was
owned by the many heirs of the
estate and Prof. McNutt worked
for months before he finally ac-
quired title to the property. In
spite of many obstacles, the deeds
were finally passed and the prop-
erty turned over to a man of
initiative and vision.

Work has already begun on the
development program. Professor
Edmund Bowler has been engaged
as engineer and many lots and
streets have been staked out. A
street has been laid out running
East from Matthes Terrace and
Garrison Avenue has been extended
up over the hill at a very slight
angle. Between these two streets,
fronting on Madbury Road, five
large fraternity lots have been laid
out, giving ample room for tennis
courts and other development plans.
The first of these lots, on the cor-
ner of Madbury Road and the
extension of Garrison Avenue, has
been purchased by the S.A.E. frat-
ernity. The lot next to this, pro-
ceeding south on Madbury Road,
now belongs to the Theta Upsilon
Omega fraternity. The lot on the
corner of Madbury Road and the
new street opposite Matthes Court
has been purchased by the Theta
Chi fraternity. Several other
groups are negotiating for the
other lots and within a few years
this section should be one of the
most beautiful streets of Durham.
The lot on Madbury Road on the
north side of Garrison Avenue, and
adjoining his residence property, has
been purchased by Professor Charles
James.

Another street has been laid out
running parallel with Madbury
Road and approximately 400 feet
east of it on which lots for private
residences will be sold. A sewer-
age system will be installed this
summer, connecting with all parts
of the park and from present in-
dications the town water system will
be extended within a year or two
so that it will be available to re-
sidences in this location.

The property has a gentle slope
to the south with a fine view down
the Great Bay towards Portsmouth.
All in all this development prom-
ises to be one of great promise to
the town, and should aid in solving
the pressing problem of "where to
build".

LOLLY-POP DAY PROVES GREAT SUCCESS FOR Y.W.

Lolly-pop day was a great suc-
cess. The combination of generosity
and heat spread the sticky sweet-
ness over the collective countenance
of the whole University from "Prexy"
with his man-size mouthful to the
littlest freshman with his ordinary
sucker. The Y.W.C.A. wishes to
thank every individual who bought
a lollypop on June 3.

The Y.W.C.A. held the last meet-
ing of the year on Monday, June 8
at Congreve Hall. The meeting was
in charge of the Freshman Commis-
sion and plans for next year's
activities were discussed.

This summer the Y.W.C.A. sum-
mer camp will be held at Maqua,
Poland, Maine, and the following
girls will attend: Pearl Hartshorn,
Natalie Moulton, Catherine Swett,
Elizabeth Virgil, Marguerite Blod-
gett, Catherine O'Kane and Cath-
erine Paige.

TWO OLD CIDER JUGS
(Continued from page 1)

to the assembled newspapermen
were sometimes used to contain
cider, had been attached by strings
to the striking apparatus of the
clock in such a way that the
thing was "thrown out of gear", as
it were, so that the striking would
continue indefinitely. As the door
to the belfry was unlocked it was
thought that some playful student
with a master key had climbed the
stairs and played his clever little
joke on the community.

FROSH WOMEN ARE BASEBALL CHAMPS

Miss Dorothy Clarkson '26, Winner
of Trophy for Girls' Tennis
Championship

The freshmen girls won the
championship of the interclass base-
ball series, defeating the sophomores
17 to 1, and the juniors 23 to 2.
The juniors had previously taken
the sophomores 15 to 2. The games
were played in regular big league
style and the size of the scores
only accentuates the superiority of
the frosh. A feature of the final
game was the work of Miss Gladys
Castle for the winners, who struck
out 12 women in 5 innings.

Miss Dorothy Clarkson, '26, won
the women's tennis championship
defeating Miss Joy in the finals.
Miss Clarkson became the possessor
of the beautiful silver trophy em-
blematic of the championship which
was presented by Miss MacDonald.
